Meeting Change Proposal

Because of a lack of attendance at our monthly meetings and club participation, the board of directors has put together a proposal to try and boost participation and membership. One option was to disband the club and fold up. They chose not to do that thankfully. Instead they submitted some changes for the memberships approval. Monthly meetings will be held quarterly and be held in conjunction with the quarterly event. Meetings as follows:

Jan Feb March - Jan Christmas Party or WOW Show in March

Apr May June - All GM Show

July Aug Sept - Picnic and election of officers

Oct Nov Dec - Oct Food Drives

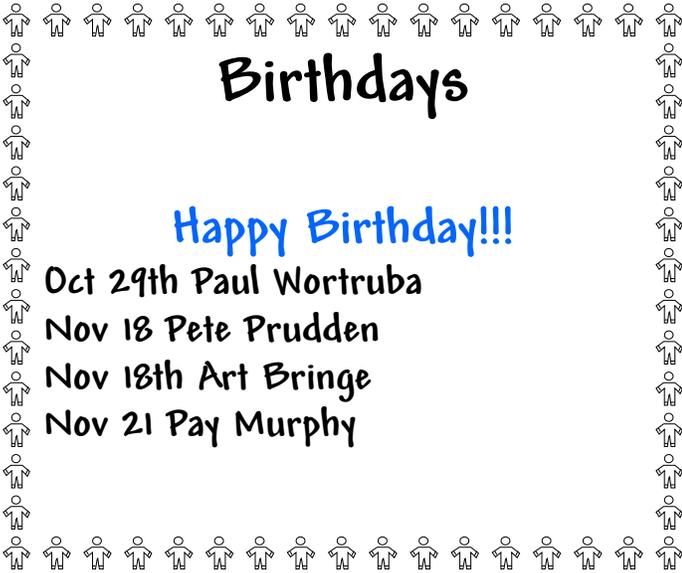

All officers will have a member call list that they will notify members of special events such as a Cavalry Job or other special event. Our hope is that these changes will boost participation in our club and keep it going. Another change is the newsletter. It will be published 4 times a year also, Feb, May, Aug, and Nov. If you have any ideas or suggestions PLEASE attend the Oct meeting at Perkins London Rd on Oct 28. The Club needs your help to keep it alive.

Delivering the food to the Food Shelf

Ron Thompson and Store manager Kevin Meredith

THE Head Of The Lakes Corvair Club held it 3rd annual Food drive at the Superior Wal-Mart Superstore. We collected \$114.18 in cash donations and purchased food with it. With that and the food donations we were able to supply the House of Mercy Food Shelf with a total of 329 pounds of food. Once again when we arrived the shelves were empty and they were happy to see us pull in. Taking part in the event were, Sid Runions, Pete & Patty Prudden, Jason Agnich, Bob Saunders, Dan Rutka, and myself Ron Thompson. I would like to thank everyone for showing up and making this a huge success. I look back at and of all the events I have participated in over the years with Corvair functions, I know this one is my favorite one and Look forward to doing it again. Just knowing that we helped several families receive a few good meals warms your heart. I know it does mine. The stories that the people share when they give the food restores your faith in mankind. AGAIN, THANK YOU ALL!!!

Chapter 558 meeting September 23rd 2008

Meeting was called to order at 7:05 PM There were only 5 members in attendance. A 50/50 raffle was not held due to low attendance. Pete had a small deposit for the treasury and there was discussion on the true balance of the account, to be taken up at the board meeting on Oct 7. The minutes were read.

The Club dues deadline is the end of December, if they are not in member will not receive the January newsletter. There will be reminders in October and November about dues payment. Ed made a motion that a committee be formed for membership and it was seconded by Dan. The meeting took on an open forum, due to low attendance, discussing what we can do for making the club more interesting, or easier to attend and any other ideas for improvement. Anyone with ideas or thoughts to ponder are welcome to submit them to Patti.

October 7th is the board meeting where there will be discussion on how to freshen up the club. Food drives are a go, Superior on the 18th and Duluth on the 20th.

As always articles are needed for the newsletter, please submit them to Ron. Meeting was adjourned at 8:06

The board meeting was held on Oct 7th and the main topic was how to change the club to make it work in these busy days. Right now it looks as though we will go to a newsletter every other month and four meetings, held at various events throughout the year. There will be a meeting during each quarter, the details to be explained in detail by Patti at the next meeting.

Secretary note: I would like to continue on as the Sunshine committee if members are still interested in receiving a Birthday Greeting, and or other card depending on the circumstances. Please e-mail me at Karingkat@aol.com and put in the subject title what your e-mail refers to, I only open mail I recognize and would hate to delete yours.

Food drive story.

At the Superior food drive we had a gentleman come up to Patty with a cart of food. (I hope I remember this story correctly) He said you know I was homeless once. He said he now finally gets his disability and said this for is for you and pushed the cart to her. He said It's my way of paying back those that helped me. When Patty told me this story I had tears in my eyes. I shared the story at one of our store meetings on Sunday and the whole crew thought it was fantastic. It's stories like this that make this whole thing worth it. It puts your faith back in humanity. We had several comments from others but that story has stuck in my mind ever since.
